Subject: Agenda Item 7.2 - Plastic Memorial Signs

The purpose of this report is to bring to the attention of the committee the three signs that are currently by the hedge adjacent to the Garden of Remembrance.

From observations it is evident that some of the information is duplicated between two of the signs, while the names on the middle plastic sheet are now on the stone tablets.

OFFICER RECOMMENDATION: Members are invited to discuss and suggest an appropriate method of displaying the information contained in the signs.
